

Dr Nicola Brown becomes Breast Health Awareness Promoter

How do our breasts size up?

Dr Nicola Brown is currently on a sabbatical from her post as a Senior Lecturer at St Mary's University to conduct a study at the University of Portsmouth investigating the reliability and validity of automatic breast measurements extracted from our body scanner.

Do you have the right bra for your sport?

Breast education – can you help?

Breast education is an important topic for young girls

Making an impact

To contribute to our objectives of broadening understanding and raising awareness in this important aspect of women's health the team from the Research Group in Breast Health regularly attend events and publish findings.
